<Notes> This discount can only be applied once for each customer. If signing a new contract without performing a switchover, the offer is not applicable if you have used a student discount in the past. For switchover contracts, this offer is not applicable if you have used the "Family & Student Discount (2015)" in the past. Those who have used any student discounts prior to "White Plan Student & Family Discount 2014" are eligible to apply for this campaign. If upgrading devices when applying for this campaign, the discounts offered with this campaign will replace any past student discounts. Cannot be combined with the "Switchover Discount." This offer may not be used with other SoftBank campaigns/offers in certain cases. This offer is applied according to billing months. Offers will be applicable from the next billing month after signing a new contract (including switchover contracts) or upgrading a device. Unused extra data cannot be transferred to the following month. If the discount amount is greater than the costs in which the discount is applicable for, the difference cannot be carried over into the next month. For U25 lines that wish to subscribe to this offer, the offer can be applied first to those already on the family line. Campaign offers will be applied to those already on the family plan starting the next billing month after adding a U25 line (extra data benefits will start 2 billing months later). The normal price plan will be applicable after the campaign period ends. In the event of an offer cancellation or contract cancellation, discounts will end the month before the cancellation and the extra data benefits will end on the corresponding month. If a price plan change occurs while the campaign is effective, the campaign offer and duration will be succeeded. If the following occurs, the offer will be void. <For U25 or Family customers> 1) Cancellation of required services or changing to a service outside of the specified services; 2) Line cancellations, if the line is transferred or the holder is succeeded associated with changing the contract holder, changing the name on the family discount; 3) Application to Keep My Number Service; 4) SoftBank's refusal of your application. <For Family customers only> In addition to the above, 5) Cancellation of the U25 family discount; 6) Cancellation of this offer on the U25 line outside the effective campaign period expiration. Details of this campaign may change without notice. For other conditions and details, please check with a SoftBank Crew or see the SoftBank webpage.
