Period from April 1, 2003 to December 31, 2003	1,288,689	-
(Re.) Full year ending March 31, 2004	1,655,651	(7.9)

[Footnotes for revenue]

Reason for significant year on year decline in revenue for the third quarter:

Fiscal 2004 3Q (fiscal year to date) consolidated revenue was comprised of both the fixed line telecommunication business and mobile telecommunication business; fiscal 2004 3Q (fiscal year to date), however, consolidates the mobile business only, as the fixed line business was sold in November 2003.
