Cannot enter 16 characters for Category names

 Character entry limit for Category names may be lower depending on the USIM Card in use.

Data Folder

Cannot copy files properly

Files may be copy/forward protected.
 (If a copy/forward protected file is included in selected files, only the remaining files are copied.)

Copied/moved files cannot be used on PCs, etc.

 Some files may not be usable on other SoftBank handsets or PCs, etc.

Cannot sort files properly

 Check the number of files/folders in the folder. Files/folders in folders containing 241 or more files/folders are sorted per 240 files/folders in the order they were saved. The order may change when a file/folder is deleted, etc.

What should I be careful about when entering file names?

Single-byte Symbols ¥, /, :, ;, ., <, >, /,
?, ∦ and " are not supported.
