## **Osaifu-Keitai<sup>®</sup> (Japanese)**

Osaifu-Keitai<sup>®</sup> describes IC Card-equipped handsets that support e-money or credit functions/services. Osaifu-Keitai<sup>®</sup> encompasses a range of IC Card-based services on FeliCa-compatible SoftBank handsets. 941SH supports Osaifu-Keitai<sup>®</sup>. To use e-money, e-ticketing and reward points, etc., hold handset over a compatible reader/writer at shops, restaurants, and other retail outlets, etc.

#### Basics

Before using Osaifu-Keitai<sup>®</sup>, activate Lifestyle-Appli, complete registration, customize settings and charge accounts.

#### Starting Lifestyle-Appli *MENU* ➡ *Tools* ➡ In PIM/Life menu, *Osaifu-Keitai* ➡ *Lifestyle-Appli* ➡ Select application

#### Important Lifestyle-Appli Usage Notes

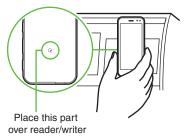

- Contact Osaifu-Keitai<sup>®</sup> service providers for Lifestyle-Appli registration and usage details.
- Keep service passwords/customer service contact information, etc. in a separate place.

## Using Osaifu-Keitai®

Follow these steps to conduct a transaction: Example: Making an electronic payment

- Lifestyle-Appli activation is not necessary.
- Transactions are possible even when handset power is off (if battery is adequately charged).
- Calls/Internet transmissions do not affect transactions.

## 

• Align handset parallel to reader/writer.

#### Important Osaifu-Keitai® Usage Note

 SoftBank Mobile is not liable for damages resulting from accidental loss/alteration of IC Card data/settings.

#### When Placed Over Sensor

- If recognition is slow, move handset around slightly.
- Handset may respond automatically for some services.

## Troubleshooting

captured at one time.

- Scanning over 35 characters at one time may yield poor results.
- Adjust to frame text in []. Letters at the ends may be distorted.

specified one.
